International: 1-412-317-0459

If using the dial-in option, please dial into the call ten minutes prior to start time using the appropriate number above and ask to join the "PacBio Q4 Earnings Call."

About PacBio

Pacific Biosciences of California, Inc. (NASDAQ: PACB) is a premier life science technology company that designs, develops, and manufactures advanced sequencing solutions that enable scientists and clinical researchers to improve their understanding of the genome and, ultimately, resolve genetically complex problems. Our products and technology under development stem from two highly differentiated core technologies focused on accuracy, quality, and completeness, which include our HiFi long-read sequencing technology and our short-read Sequencing by Binding (SBB™) technology. Our products address solutions across a broad set of applications, including human genetics, plant and animal sciences, infectious disease and microbiology, oncology, and other emerging applications. For more information, please visit www.pacb.com and follow @PacBio.

PacBio products are provided for research use only. Not for use in diagnostic procedures.
